- Offline-first mobile storage using SQLite and central MySQL synchronization.
- Notifications, reports, audit trail, validation, error handling, security, and acceptance criteria.

Status Label Convention

Confirmed means the item is part of the agreed scope. Proposed means it is a recommended implementation detail that can still change. Pending Decision means the business owner must decide before a developer or Cloud AI treats it as final.

Status	Meaning	How to Treat It
Confirmed	Agreed project requirement or design direction.	Use as baseline for planning and implementation.
Proposed	Recommended approach that may still change.	Validate during design and owner review.
Pending Decision	Business, accounting, or technical rule not fully approved.	Do not hard code. Ask the owner or make configurable.
